

COVID-19

The Church continues to be alive and active, but our buildings must close

We are seeing a huge increase in the number of people falling sick with COVID-19. We must distance ourselves from one another and prevent the spread of infection in order to save lives.

Therefore, as well as public worship being suspended, this and all church buildings in the Church of England are now closed.

Our worship of God and our care for each other continue but cannot be done in this building.

These websites contains our details and ways to join others online for prayer, worship, study, and community life.

To protect the vulnerable amongst us,
please do not leave your home except for essential trips.
